IN THE WORDS OF OUR DONORS....

"It is inspiring to see the interest in Christ-centred education grow, and as a proud former parent of Cairn graduates who were well prepared for the next phase of their education, as well as a current grandparent, I am honoured to play a major role in helping the school achieve their vision for the future."

John Langendoen

FREQUENTLY ASKED QUESTIONS

Where will the financial support come from?

We are inviting all generations involved at Covenant, John Knox and Wellandport – past, present, and future. All parents, grandparents, alumni, staff, volunteers and past donors will be approached, as well as appropriate businesses and foundations to support Cairn Christian School and our vision for the future. It is our intent to give everyone the opportunity to help build our legacy for the next 50+ years.

Is the pandemic affecting enrollment for 2021?

Despite the current lockdown, it is obvious that families are looking beyond the summer to September. Enrollment in our Kindergarten programs is higher than it ever has been, and we are considering not two, but three classes in each location at this time. The current reality of the pandemic is certainly not limiting parents' interest in Christian Education for their children, and, in fact, it is further proof that the projects that this campaign supports are more important than ever!

Our Campaign Volunteers look forward to reaching out to you over the coming months to update you on our vision for the future. To book your meeting, email campaign@cairnchristianschool.ca.
